Dear Mr Tucker

RE: BASILDON MAGISTRATES COURT-14 MARCH 2000

Further to Mr Gir's letter to you of the 16th February 2000, I enclose herewith copy of the Advance Disclosure received, that is the very least to which we are entitled. As Mr Gir indicated to you at Court, we are expecting significantly more information but nevertheless, again as Mr Gir has indicated to you, it would be in your interest if we were to start taking a note of your evidence as soon as possible.

In the circumstances can I please ask you to telephone on receipt of this letter and arrange a mutually convenient appointment.

Yours sincerely
